OFFICE OF PETITIONS

This is in response to the paper filed on September 9, 2002 under 37 CFR 1.47(a), and in response to the supplemental declaration filed September 9, 2002, and supplemented by facsimile transmission on November 8, 2002, signed by previously nonsigning inventor Paul Enright in compliance with 37 CFR 1.63.

In view of the joinder of the inventor, further consideration under 37 CFR 1.47(a) is moot; this application does not have any Rule 1.47(a) status and no such status should appear on the file wrapper. This application need not be returned to this Office for any further consideration under 37 CFR 1.47(a).

Inquiries related to this decision may be addressed to Karen Creasy at (703) 305-8859.

This application is being forwarded to Technology Center Art Unit 2681 for examination in due course.
